RE: Ohio Republican State and Central Executive Committee
2000 April Quarterly (1/00-3/31/00)

Dear Ms. Denny:

This letter is in response to the Commission's request for additional information regarding the above referenced reporting period. An itemization follows:

Column B of the Summary and Detailed Summary Pages appear to be incorrect.

- We are currently utilizing 2 different software programs to produce our Federal Campaign Finance Reports. Due to clerical error totals were not correctly entered on our detailed summary page which carried forward to our summary page. Please find corrected pages attached.

Line 11(a)(I) of the Detailed Summary Page of your report discloses a total of \$291,672 in itemized contributions from individuals. The sum of the entries itemized on Schedule A indicates the total to be \$304,151.00

- Once again, due to clerical error additional pages were included at the beginning of the report in error. Pages identified as 1 of 55 through 4 of 55 were actually pages run previous to our final report. This same information is also included on the next 57 pages. The total incorrectly submitted but not shown on the detailed summary page is \$12,862.00. The detailed summary page as submitted is correct.
